

FACULTY POSITION IN PLANT BIOLOGY
Section of Plant Biology, College of Biological Sciences,
University of California, Davis

The Section of Plant Biology, College of Biological Sciences, at the University of California, Davis invites applications for a tenure-track position at the ASSISTANT PROFESSOR level. Candidates must have a Ph.D. (or equivalent) and have an outstanding record of research achievement. The successful candidate is expected to develop a state-of-the-art research program that will implement quantitative and systems-based approaches to understand fundamental principles underlying the biology of plants. Preference will be given to candidates who use approaches such as analytical and molecular biochemistry with emphasis on metabolomics and metabolic flux analysis, proteomics/interactomics, or systems biology. The Section of Plant Biology places a high priority on teaching and the successful candidate will also be expected to contribute to the teaching mission of the Section.

Candidates should submit the following materials, online, at www.plb.ucdavis.edu: (a) curriculum vitae, (b) summary of research accomplishments, (c) clearly focused description of future research plans (5 years), (d) up to five major publications, (e) statement of teaching experience and/or interest.

Candidates should also arrange for a minimum of three letters of recommendation to be submitted by e-mail to plbsearch@ucdavis.edu:

Bo Liu, Chair
Faculty Search Committee
Section of Plant Biology
One Shields Ave
University of California, Davis
Davis, CA 95616

Closing date: open until filled although to assure full consideration, applications should be received on or before Thursday, November 15, 2007.

The Section encourages women and minorities to apply. The University of California, Davis, is an Equal Opportunity/Affirmative Action Employer.
