Announcing one-touch access to Plant Physiology and The Plant Cell on your smartphone!

Take the journals wherever you go!  
**It’s easy—**

**iPhone or iPod Touch:** Go to the journal site, touch the arrow at the bottom of your screen, and then select “Add to Home Screen.”

**Android:** Go to the journal site, touch a blank part of your screen and hold to bookmark the site, and then create a shortcut to the bookmark.
